

## Graphic Organizer: Volunteerism – Lending a Helping Hand!

<b>Issue</b> What is the challenge or problem?	<b>Population</b> Who is affected?	<b>Supporting Organizations</b> What groups / people are already working on this issue?	<b>Being Part of the Solution</b> What can I do to help, on my own or with a group?
<b>Example:</b> Pollution – litter on the beach and in the water	People who like to go the beach, fisherman, businesses close to the beach, sea animals	The Ocean Conservancy, Adopt-a-Beach program, local environmental organizations, local school groups, Boy Scouts and Girl Scouts	Organize/support a group beach clean up; write letters to local or national government leaders; hand out information leaflets about pollution effects for an environmental organization....
