

A dream comes true

A dream comes true
A merit that I won
a course that offers victories
and brings great memories
I am very happy to be in Access
I learn every day
I made a lot of friends
real friends
I intend to go to the USA
through the project young ambassadors
If God allows me I will go there
As soon as my English course ends
Wonderful people I'll meet
Great opportunities I'll have
And in the future, when I look back
I'll thank all the great teachers I've had
