

A great dialogue  
between me and my English teacher (Sherine)

Sherine: I miss my Access class

Rawda: that is what I feel too

Sherine: Being away gave me a heart made of brass,

Rawda: I would lika ya miss to see you

Sherine: Hooray, let's enjoy sitting on the grass

Rawda: oh please take me with you

Sherine: Come along to have a glass,

Rawda: sure I'd love to
