

Access

Access is a process  
It is a systemic progress  
Where Learners are benefitted  
Through the work of education

The process of Access  
Is to acquire knowledge  
Through the skills of  
Writing, speaking, listening, Reading

In addition the learners  
Get motivation, encouragement  
Inspiration and activation  
To have better communication

Access is a product of  
Everlasting knowledge wizards  
Belonging to the future thinkers

Scholars from Washington and  
Native speakers for the cause  
of non natives

To have on equality of right  
In all spheres of life  
In a one unit world  
For better education  
For a greater world
