

ACCESS PROGRAM

Who are you Access Program?
You are many faces, a flight to the US.
I have never been there,
But I know US History, US Popular Culture, US Holidays, you name it.
You exposed me to Community Service and Personal development,
OH!! ACCESS you are a life saver,
You brought exposure, built confidence in me,
You kept me company in my lack, loneliness and hunger.
Moreover I now read, write and speak English.
THANKS TO YOU ACCESS
