After a week of stress and tiredness

Can you imagine how much we long for happiness?

Cool! Cool! It's finally Sunday

Energy is recharged, change your mood, get ready to play

Sakura blooms and our heart content

So excited, so thrilled, in every event

Sweet talk we share

Come and see how much we care about

Hand in hand, we have eternal

Only access student can understand

OMG? How can a teacher be like a friend?

Love we breathe, in peace we live

Access school, you learn how to give
