

ALL THE REASONS

Access is freedom,
Because knowledge is the key to every door of life.
Access is opportunity,
Because it gives us a chance to go beyond our capabilities.
Access is also unity,
We've got to carry each other.
We are United by a single goal,
Not only dream, but see the truth,
And perform. See the world and make poetry.
Every verse reminds us of a day never say goodbye,
Just talk to see you soon.
We're better than the good,
Because we are students Access.
We have with us the best teachers,
And the support of those who believe that the world can still change
