

Happy Mother's Day

This is a very important day. We  
Must be grateful for this day. This  
Day means a lot to our mothers  
Who brought us into this world.

If it wasn't for them, where  
Would we be at this moment. Mother we  
Are grateful for what you did for us  
Here I am talking about a mother,

Who carried you for 9 months in  
Her womb. Who raised you until now.
