

Language Proficiency Center

LPC is an institution,
Which is our concentration.
We learn English here,
To have success in every sphere.
Not only we learn English,
But also learn not to be selfish.
There are programs here all over the month,
Have to celebrate, can't say "we can't."
Make posters, give speeches,
For the topic, everyone searches.
Guests come from the embassy,
To have fun with us, to see.
Teachers share their work with each other,
Here, we are all sister and brother.
Hope, they will continue the course,
We will all succeed from this source.
