

Love of Today

Opened gate to paradise;
Filled with pleasure the eyes
Trotting forth with no thought; Brought Eiman to a naught
Broken glass scattered around,
When I started then I found
Bleeding ankles didn't stop;
With the roar of laughing mob
Flattering tongues filling ear;
Stuffed my heart with more fear
Sugared poison did I take;
Sweetness however was just fake
Unmeant Love song is now ceased
Human love is that of Beast!!!
