

Moon's Halo

Oh! my dear,
You are like a moon in an evening lie—
so bright in a clear night sky.
Even my thicketh wall in my heart—
penetrate your lovely radiant.
The more I see your different phase,
the more I want to say, what a noblest Moon .
But, Please! Don't stare at me—
the way you do to me, right now.
It made me shut,
And crawls the knot.

Yeah! like a moon—
You are too high
up there in His throne.
And... I know,
Everyone loves you—
like the way I do.

That's why, I'll wait for (...)
To see you, to ---- you more and more.
I will never be afraid 'coz I know—
you are somewhere there in His core.
