

My Perfect Soccer Boots

My perfect
Soccer boots black and yellow
In colour name Nike Tiempo they are
From Nike factory. Factory that produce good
Quality product. I was happy when I bought
Them in Nike factory, but now someone stole them
I don't know who stole them. It was fun when
My soccer boots is with me by the time now. I think
Is not cool when you stole someone's property.
I think is not cool when you stole is embrasiting
your self and other people. I think a person who
stole my soccer he/she didn't stole my soccer boots
only he/she stole many things to other people. God will punish
who stole my belonging soccer boots
