

My School

The most beautiful school I have ever seen
The most wonderful school I have ever attended
And the most attractive school that I know
That's my school, Molautsi High

Filled with love, joy and happiness
A school of wonders
That's my school
My school, Molautsi High

Like Disney Land in real life
Like Heaven on earth, that's Molautsi High
With best teachers and good learners
I know it'll take me to places
That's my school, Molautsi High
